

## Four Views on Youth Ministry and the Church

Youth ministry is highly significant for the body of Christ. Today's young people will be tomorrow's church and its leaders. Few take time to consider, however, how to minister to youth effectively. This seminar led by author and experienced teacher, Dr. Mark Senter, will provide four distinct ways to think about ministering to today's youth as they transition from childhood to young adulthood.

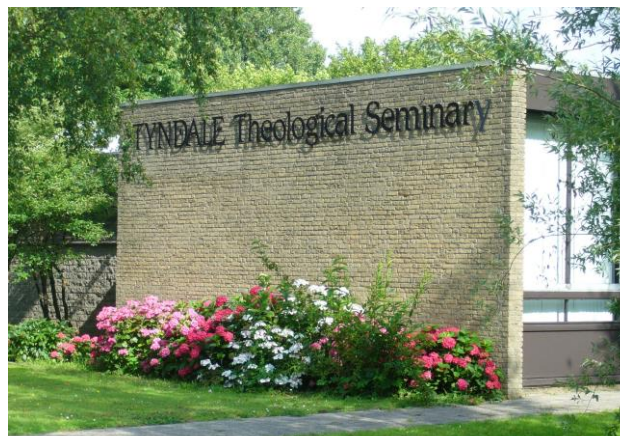

Dr. Senter's approach has been used from Asia to Russia and South Africa.

People attending the Four Views seminar will engage in discussion on the application of the views to their churches.

This Saturday seminar will involve 4 presentations. Each will be followed by a question and answer time.

Lunch and coffee are included.

Cost: €30 adults, €10 high schoolers
